

As Sisters of Charity of the Incarnate Word, we remember the words of our Constitutions: "The mission of the Congregation is to actualize the saving and healing love of the Incarnate Word by promoting human dignity."

**We affirm the dignity and rights of all people and denounce human trafficking and the economic and social systems that promote it.**

**We support programs and initiatives that:**

- Educate and motivate groups to take effective action towards the elimination of human trafficking
- Promote equitable and sustainable development and eliminate extreme poverty
- Rescue, rehabilitate, and reintegrate into society victims of human trafficking

**We oppose practices that:**

- Take advantage of people while seeking wealth and/or pleasure
- Destroy the environment, thus eliminating opportunities for income and contributing to forced migration

We recognize that in order to end the crime of human trafficking, we all need to work together.
