

CTC staff - Dr. Hazens's son, transferred to Dallas Childrens after a mass was discovered on his spine. He is 6 or 7 years old.

Amy - Prayers for her aunt Gladys who is very lonely after the loss of a loved one.

Weley RN - Wesley requests prayer for his wife Alicia RN CSM who will continue with an extra 4-6months of Chemo and stem cell transplant X2. Please pray for her healing.

Demetria - for David and for his family. David has no brain activity; please pray for peace for his family.

LDRP staff - for nurse Kadi and for her dad who is on HOSPICE care and will not last long.

Ros. - for her half sisters who lost their mom recently. Pray for peace in the family.

Lauren RN ICU - Her family friend died from COVID 19; in his 50's he leaves a wife and two teenage daughters. He was a strong healthy man, once an EMT, a police officer and a fire fighter. Pray for his family.

Kristi - prayer of thanksgiving that her daughter, an A student who has suffered 'brain fog' after COVID and was finding study very difficult. She is now recovering and has found a new appreciation for students who struggle all the time.

PAM PICARD - My Dad is in a nursing home with dementia. He was positive for almost two months and it left him very weak. He is now on palliative care in the end stage of his life. I pray for comfort and peace for him. My Mom is in early stages of dementia and is seeking a solution to slow down the progress.

LINDSEY WILCOX-HOOPER - 1. My sister is in the hospital at 22 weeks pregnant. She was admitted at 21 weeks. She is on total bedrest (not even allowed to elevate her head) while they hope to keep her from going

into preterm labor until the baby is old enough to survive and be healthy. Please pray for her to succeed in this task and for God to help make the days go quickly for her. The doctors would like to see her reach full term but said if she can make it to 28 weeks then it will be much better for the baby.

2. We have recently adopted a daughter who is having some struggles. Please pray that she can make good choices, that she can find safe outlets for her anxieties and stress, and most importantly that she can learn to believe and trust in God. She is working towards all these things but it has been hard for her recently.

3. Our younger twins (12 years old) have dyslexia. They have been feeling discouraged in school despite making so much progress. Please pray for them to see how wonderfully unique they are and to have confidence that they can accomplish great things despite their disability.

LESLIE RUIZ - Please pray for my dad who has a diagnosis of “unexplained vision loss”. He has seen multiple doctors since October 2020 trying to determine the cause and correct it. Currently, he's still undergoing testing.

CYNTHIA ROBINETTE - Good morning! I am asking prayers for my 41 year old son Michael and his long history of drug abuse. He wants to quit and the struggle is hard. He wants to heal, find work and mend fences with his children Kaylin and Korbin...please include his girlfriend Cassie in this healing prayer request. Also, please pray for my sons to find work. This Pandemic and Freeze we had in Texas has played havoc on the ability to work...my son Christopher started a new job today and he has a wife and 3 children one a Newborn they need blessings on their spirits and their finances. My youngest son Jeremy is in Mexico. He needs to come home but he is out of work and money and my husband and I are depleted from helping everyone and no money to send him for bus ticket. I have been struggling with stress and down in my spirit due to all we have going on in our lives at the moment, as others I am sure. Please pray for my family to heal, to find work, and turn their lives around.

DEREK STUBBS - **1.** Please pray for my individual stress levels and continued drive to do what God has called me to do. Pray that I stay in His word and seek His guidance.

2. Pray for the Surgery and Cath Lab areas of the hospital specifically because it's been extremely busy.

3. Please pray for my family's health. My mother's stomach disease and my father just had surgery on his

shoulder. May his recovery not be too painful. My sister struggle with depression. May God continue to bless you in your journey.

MICHELLE BAYNES - I would like prayer for my son. He is going through a rough time not being able to see his Dad, being at a new school, and adapting to living in a new neighborhood which requires him to make new friends. Prayer for financial gain for myself and my significant other. Amen.

JESSICA JONES - **1.** Please pray for all our employees working our ICUs. They are exhausted, disheartened, and worried. Please pray that they may be able to continue to do their work and that their spirits will be lifted to a place of peacefulness.

2. Please pray for the Great State of Texas, that with all the new openings and mask band lifted, we will be able to see a drop in COVID cases still and not an influx.

3. Please pray for my family, that we'll be able to keep an optimistic attitude during this trying season.

LANETTE BOYETT - Please pray that I would find more compassion for people... I have been single for 28 years and, unfortunately, it produces a very selfish character. Please help me pray for genuine love and concern for those around me. My hope is that God would use me to bless others. I'm requesting a spirit of discernment for when people are hurting and that I can be a light in a dark world. This sounds simple enough, but I am an introvert, so the solitude of isolation has not had the same effect on me as it has on 'people' people. I want to be bold when caring for my neighbors, as the Bible puts it. Thanks so much for what you do!!

CHRISTINA TOWNSEND - **1.** Please pray for me and by brother's (Thomas Cokinos) healing as we lost our mother in January.

2. Please pray for my aunt Suzanne Grable, as she is going to be having testing on her heart and a possible heart procedure. Please pray for the doctor's guidance and her healing.

3. Please pray for my marriage.

4. Please pray for my daughter, Elizabeth Townsend, as she navigates this world as a young adult in college away from home.
5. Please pray for my good friend Stacie, who just found out she has breast cancer last week.
6. Please pray for my other good friend Sherry who has been fighting breast cancer for 7 years and it is in her brain now.
7. Please pray for another friend of mine, Lori, battling breast cancer.
8. Pray for my health.
9. Pray for my husband Wayne.
10. Pray for our country.
11. Please pray for the repose of the soul of my mother, Julie Cokinos.

SHEKEITHA JOE - I would like prayer for my family. My kids that live away from home, prayer for my grandkids that are in school face to face and those that are virtual. I would like special prayer for a cousin that lost her husband this week. Please pray for me and my husband for strength.

Helen White Auxiliary Volunteer - for her Chemo Treatments

Spiritual Care Dept. - for our patients, their Families, our Associates during these stressful times

Cathy Norris - daughter is having knee surgery, Thursday. Also pray for our cafeteria workers and housekeeping workers

Steve Neesley - for himself and his wife Glenda for eye problems

Spiritual Care Dept. - for Fr. Joy and Fr. Brandow frontline seeing COVID patients and Doctors, Nurses, Techs and everyone who is on the Frontline.
