JULIA JAMES: Needing prayer for healing of migraine headaches and an ailing hip. Father, I just ask for continued healing. I am standing on your word that your work will be done.

AMY WILLIAMS: I need prayers for my friend Chuck and his family. He and his children are getting over COVID. His wife, mother in law and father in law are in ICU and doing poorly. Thank you for all you do.

STACY MCDONALD: Please pray for my young adult children as they make their way in this world during these trying times. We have some goals that need to be accomplished in the upcoming week for all three (Blake, Corban and Brooke). They are all in their 20s and face very critical decisions to prosper in the future. Please pray for them to draw close to GOD as they seek to find their way. Pray for us as parents to have the words and guidance to lead them in his way. Thank you in advance for your prayers. I will be praying for you and all of your efforts you are providing to support us as associates. Your time is precious and appreciated. Thank you.

LAURIE REYES: I am at a point where I do not know how to move forward, I feel very stagnant. I have some big decisions to make and I need a prayer for guidance. I need guidance to help me make the decision to whether or not I want to stay in the role I am in now .

CYNTHIA ROBINETT: Please pray for my family...we are experiencing dysfunction and separation...my family is struggling with drug addiction, anger...some are just struggling with Life...pray for my family to be mended, pray for job opportunities and legal problems to be resolved. God is moving in our lives I can see the changes taking place...we need prayer for patience and strength to follow God's will for our lives. Please pray for healing and blessings over our new home and everyone that dwells within our home...all that dwell in our land.

PATRICE BALDWIN: I would like to ask for prayer for Kelli Anderson and Pamela Wright. Both have been diagnosed with cancer. Both are long standing associates in the SETX region.

WANDA ARNOLD: Please help me pray for peace within myself. I'm so wound up I feel like something is going to explode. Pray for me.

JODIE ANDERS: Thank you in advance for your prayers. I have a niece who is a CHRISTUS RN working with Covid patients. She is having a hard time during this time of Covid, her home was damaged during Hurricane Laura, her grown son is not speaking to her, and the stressfulness of being a single mom. She has a big heart and loves her patients. I pray you keep her in your prayers.

BRIDGETT BOURNE: 1. Today (4/15) my sister Bonnie is having a Lung Biopsy. She had part of her lung out last year and the physician feels it has come back. She is to get her report on Monday (4/19). I can't be with her for either day so I pray God will wrap her in his arms. 2. My husband spent a few days in the hospital last month. He had 3 issues - He has a hole in his esophagus that needs to be fixed and he is having heart arrhythmias. The last is they found a melanoma on his hand. Yesterday they removed the melanoma. Pray for his resilience to make it through the next two procedures. 3. My 94 yo mom lives with me. I am trying to find a place for her to live that she will receive better care. I am not home enough anymore and I need to place her in assisted living so that I know she gets the care she needs. It would free me up to take care of my sister and my husband. Please pray I have the strength I need to make this happen.

ALEISHA L. BOUTTE: I have recently received a promotion, in the middle of my last semester of school. I am currently overwhelmed with training and schoolwork. I personally feel that I am getting behind in all of my work and I am not going to pass my classes and graduate. I am asking for prayers of strength and peace.

DEREK STUBBS: Please pray for my pregnant sister who struggles with anxiety and depression. Pray for my family to know exactly how to help her in her situation. Please pray for my friend's brother who has Parkinson's disease. He took a hard fall and had to stay in the hospital because he hit his head. Pray for the family to know exactly how to help him and cope with him struggling as well. Thank you very much for your prayers.

FAYE REED: My stepmother fell in a fire yesterday (4/18). She has severe burns all over her body. She is on a ventilator. She is at UTMB burn center in Galveston in ICU. My dad is distraught. He can't sleep at night, I have never heard my dad cry in his life. Please lift her up in prayer. They may have to start dialysis. My dad lives in Fred, Texas. ICU will only allow one 30 min visit a day. So he is unable to go see her. The doctors are keeping him updated as much as they can. Please God heal her in prayer. She is everything to my Dad. I don't know if he could live his life without her. Please pray warriors. I need you now more than ever.

Darla RN: prayer for her mother-in-law Wilma who fell and broke her hip. Pray for her recovery.

Jackie: Her mom Ella Mae who is in her 90's was recently diagnosed with colon cancer. Mom does not want aggressive treatments. Please pray that the family will accept mom's wishes and be at peace with that. Ella Mae knows the Lord and is grateful for a good long life.

Alden: asks for prayer for her grandfather who is hospitalized. Stage 4 prostate cancer that has spread to other areas. Please pray for comfort and peace for him and for the family.

Gloria: asks for prayer for her cousin Cathy who is in hospital. Cathy suffers from COPD and now has cancer.

K.K. R: overall health and pain management

Brandon C.: his cancer has returned; chemo will begin in two weeks. Please pray for him.

Jaime H.: Janet L admitted to hospital with COVID 19, for her healing

Ollie W.: Associate on the vent, many serious health issues

Morgan: Please pray for her mom Debbie who suffers from bad leg pain and can hardly walk.

Alicia RN: For the recovery of her cousin Adam who had stem cell transplant and is now home from hospital. For her brother Scott who was diagnosed with terminal cancer three years ago and refused to go for medical help during COVID. He now says he has visited his doctor again. He suffers from mental issues as well. Pray for his peace and healing in body, mind and especially spiritual healing. He is an atheist.

Beula: for comfort for Beula and for a good home for her cat Tiger. She had to give him up for adoption due to family issues. He is three years old and is her baby since he was six weeks old.

Debora: for healing for her daughter Mattie who is in Children's Hospital. Mattie is very sick and will have a bronch. On 4.21.
